

Washington State Society
for Healthcare Engineering

To all WSSHE Members:

It is with great pleasure that we announce the theme for the 2009 Annual Conference and Technical Exhibit's Wednesday evening social event- **The Wii-SHE Classic at Yakima.**

The event provides the opportunity for the Technical Exhibitors to have a Nintendo Wii Console set up at their booth Wednesday, October 14th at 5 p.m. The Wii game they choose to have at their booth may be the theme to use and decorate their space and if they are inclined, they may dress up according to whatever game their booth present (ie. hockey player, tennis player, gladiator, Princess Peach, Super Mario, Mario the Plumber, Sonic the Hedgehog, or a Wannabe Rock Star).

The object of this social event is for the attendees to move from one booth to another and play whichever game or games they may encounter. Prizes will be given to the best player of a game at each booth.

(Technical Exhibitor) - On the Annual Technical Exhibition Registration Form, please state whether or not you can bring a complete Wii set up to the conference. We will need 30 Wii Consoles and WSSHE will supply the needed Wii's to make up the difference but we will need other Wii related items such as a television or projector, Wii controllers, and Wii games. On a first come, first serve basis, the Exhibitor that don't have a Wii but can provide the related items will get to supply their booth for the event. Please let us know by checking the appropriate box on the registration form if you can help us in any way to make this event a success.

The following items are **FAQ's** around The Wii-SHE Classic:

- **Rules of play:** There are no rules! But please do remember the reasons we provide this event: networking, organizational fellowship, education, and the promoting of our goods and services.
- **Time line:** Let us know if you are willing to bring your complete Wii set up, or any of the related Wii Items by July 31st so that we can plan on the purchasing of the rest needed pieces.

Thank You to all those supporting the planning of this event, We are sure this event has the opportunity to go down in WSSHE history as the 'Wednesday Event' to remember, right next to the infamous "WSSHE Putt-Putt Classic at Wenatchee" event in 2008. Please email or call Heather Warner if you have any further questions.

Sincerely,

Heather Warner
