

CENTRAL WASHINGTON HOSPITAL TOUR

Special Pre-Conference Invitation

April 27, 2011

Tours begin on the hour from 10:00 AM - 2:00 PM

Central Washington Hospital has just completed a new patient tower expansion. The expansion adds 190,000 SF to the hospital, comprised mainly of 174 new private patient rooms. In addition to the new tower, the Central Utility Plant saw significant expansion - adding 7,000 SF, 3 new 1250 KW generators, 3 new 600 ton chillers with associated components, and additions to the boiler facility. The new facility is considered state of the art with a new building management system, patient monitoring, nurse call, and a mechanical system including complete use of phoenix valves. Please join us for a tour of the new facility just days before the patients move!

Tours beginning on the hour at 10:00 AM on April 27th, with the last tour beginning at 2:00 PM. Tours will last approximately 60-90 minutes.

Feel free to make special arrangements with Tim Heidlebaugh at (509) 665-6010 if you need special arrangements.

Central Washington Hospital is located conveniently on the way to Chelan in the Wenatchee at 1201 S Miller St, Wenatchee, WA 98801.
